

Arch Klumph's idea for an endowment fund dedicated to "doing good in the world" planted the seed for The Rotary Foundation in 1917. That one idea and an initial contribution of \$26.50 set in motion a powerful force for good that has transformed millions of lives around the globe. Help us ensure that every member of your Rotary club and members of your community know the great work our Foundation does all over the world. We've put together the following resources to help you celebrate and promote the 100th anniversary in your community.
