The report will list future, current, and past program participants. Use the tabs at the bottom to view the type of information you need.

- **Residing** tab — participants that live in the district
- **Hosted** tab — participants hosted by the district
- **Sponsored** tab — participants sponsored by the district
- **Contact Information** — information for all participants who are connected to the district in any way

5

Use filters to narrow the results to just the information you want.

Filters vary by tab. They include:

- **Membership** — see just Rotary and Rotaract members or just nonmembers
- **Program** — e.g., Group Study Exchange, Rotary Volunteers, Rotary Youth Exchange
- **Current Club Type** — Rotary club or Rotaract club
- **Program Year** — by Rotary year (e.g., participation in August 2004, part of Rotary year 2004-05, is listed in program year 2005)
- **Email** — shows only participants with known email addresses
- **Language** — participants known to speak a particular language (not all participants will have a language designated in their data)
