Notes

¹ Annualized Average: The average annual contributions made over the last 2.5 years (or for the period the club was in existence)

Includes contributions from merged clubs (Cypress to Los Alamitos and San Clemente to San Clemente Sunrise)

² District Grant: Percentage of Annualized Average applied against total available DDF; maximum grant is \$8,000

Clubs established after 7/1/23 receive a kickstart of \$500

³ Total District Designated Funds Available: Adjusted to reflect the final amount of funds available for district grants

Some clubs which qualified for grants did not submit an application by the deadline, and those clubs' allocation has been revised to zero.
